

## **FREE SHIPPING. NO MINIMUM.**

### **How can I get FREE Shipping?**

Activate AutoRefill (by checking the 'Activate AutoRefill' box) and get **FREE Standard Shipping** on your order as well as all future refills. As a special bonus, compounded medications (marked by a **C**) greater than \$35 even get **FREE 2-Day Shipping with the first fill!**

- No minimum order amount is required.
- Any other products ordered at the same time will also ship **FREE** (See "The Fine Print" for exceptions).

### **What is AutoRefill?**

When your pet's prescription is on AutoRefill, all prescription refills will automatically ship to your home when required, so you don't have to worry about your pet missing a dose!

#### **AutoRefill benefits:**

- Activation is **FREE**
- Convenient and reliable
- Saves you time and money
- You are notified by email prior to each shipment being sent
- You can change shipping dates whenever you want

#### **"The Fine Print"**

- Applies only to prescriptions with at least one refill available after the initial order.
- Excludes diets, accessories and heavy items, which currently include: Normosol, Normal Saline, Hydra Pearls, Lixotinic, Lactated Ringers, Micro Vet Equine. We may add or remove items to this list at any time. Please see our Shipping Policy for details.
- Excludes shipments to Alaska, Hawaii and U.S. territories.
- We reserve the right to change or discontinue this program at any time.
- All eligible products that have had AutoRefill activated during the program will continue to get free shipping on refills for the life of the script even after the program ends.
- Excludes refrigerated products and items that require next day delivery.
